

# Waituna Soils Field Day

11 am, Thursday 31<sup>st</sup> March

**Location:** Barry Warnock's Farm  
Supply # 31388, Mokotua Road

What is your soil trying to tell you? Your soil is the life support system for your farm. If you look after it and keep it healthy it will look after you.

**Learn about:**

- the characteristics of the soils on your farm
- how to visually assess your soil
- what nutrient budgets can do for you
- how nutrients move within soil
- keeping nutrients in the soil to maximise your \$
- nutrients in Waituna Lagoon

BBQ lunch provided
